

PROFESSIONAL MOVERS

Looking for work that supports a healthy, fit lifestyle? Then get moving, stay in shape, and earn rewarding compensation! Since millions of people move every year then Professional Movers are always in demand. This is a perfect opportunity for athletes, military veterans, first responders, fitness buffs, and anyone else looking to stay active.

Our courteous and reliable Professional Movers are the backbone of our crews responsible for carefully wrapping, packing/protecting, transporting, loading/unloading, and moving household goods or products for our elite clientele, including transitioning DoD personnel, international corporations, government accounts, and civilian customers. As a result, daily jobs sites may vary to include residences, commercial buildings, and/or warehouse facilities. Trucks are dispatched daily at 7:00 a.m. from our southern Louisville location and return upon completion of assigned work. If you enjoy a fast-paced, dynamic work environment in which you get to help others, see new places, and feel a sense of accomplishment at the end of each day then this opportunity is for you!
