

## PROFESSIONAL PACKER

Bored stocking shelves, bagging groceries, or performing inventory checks? Tired of babysitting or daycare schedules? Strive to do more than cleaning? Do you genuinely care to deliver a high-quality service experience to your customer and want to achieve more professionally? If you answered "YES!" to any of these questions, **THEN WE HAVE A CAREER FOR YOU!** Since millions of people move every year then **Professional Packers** for the moving and storage industry are always in demand!

As a **Professional Packer** with our team, you will be a member of a moving crew who is dispatched to customer homes or job sites where you'll be responsible for carefully wrapping, protecting, packing, and labeling our customer's belongings into sealed cartons to ensure items are not damaged during transit. We know what you are thinking and this is **NOT** a backbreaking job! Some examples of the most commonly packed goods include clothing, books, linens, glassware, toys, framed photos, cookware, entertainment items such as DVD's/CD's, and décor. Trucks are dispatched daily at 7:00 a.m. from our southern Louisville location and return upon completion of assigned work. **If you enjoy a fast-paced, dynamic work environment in which you get to help others, see new places, and feel a sense of accomplishment at the end of each work day, then this job is for you!**
